## Music: Jason Lovins Band

The **Jason Lovins Band**, based out of Ashland, KY, stems from the Appalachian Mountains and a culture traditionally dominated by country and southern gospel music. Jason embraces this idea and incorporates it into the contemporary sound of the band creating a unique blend of old and new. The band, which includes four other members, Ryan Werner, Rodney Mora, Jose Mendoza and Jake Dorsey all come from various musical backgrounds giving rise to a diverse sound that remains unique within the industry. Jason and the band travel extensively throughout the southeast and northeast for 40 weeks out of the year, spreading their message at numerous events that include state conferences, revivals, student camps and various other venues. They've also had the privilege to be a part of numerous Billy Graham Evangelistic Association events and shared the stage with artists such as Michael W. Smith, MercyMe, Big Daddy Weave, Kari Jobe and many more. They continue to build a fan base that keeps people wanting more of what they offer. Their mission is simple; take the focus off themselves and point it to the One they sing about.

"I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me."  
Galatians 2:20

## Speaker: Eric Samuel Timm

Orator, Author and Artist **Eric Samuel Timm** captivates his audiences with his unique teaching and preaching style. These moments are captured in profound yet simple and multidimensional presentation of God's word. Eric battles the darkness by communicating truth experientially and multi dimensionally. When Eric speaks, people listen; when he paints, people see what they could not hear. Eric has released his first book called Static Jedi, available where books are sold, and the next releases are in the works. Eric is currently working beyond his degree in ministry from North Central University towards a Doctoral Degree in Ministry at Northwestern Seminary. He serves his local church as a Teaching Pastor and Outreach Evangelist. Eric also is Communications Lecturing Professor at his alma mater, North Central University. Already speaking to over 1.5 million people Eric continues to travel throughout the U.S. and internationally stirring up the dormant, leaving audiences inspired. Eric founded No One Underground and Painting Hope, which serves public schools with value based public school assembly programs across the country. Residing in Minnesota with his wife and 3 children, Eric partners with you to expand the Kingdom. Depulso Creperum.
