### **SERVANTHOOD (morning session)**

Using scripture, we will explore Christ's attitude and examples of servanthood. Through the women's ministries, we are asked to serve like Christ in a world that is broken. Let's discover together how our hearts affect the passion and love needed to be servants in God's kingdom. Being a servant is one of the qualities of being a good leader. Are we truly WALKING the same road Jesus did to serve others? "*..... just as the Son of Man did not come to be served, but to serve, and to give His life a ransom for many.*" Matthew 20:28 (NKJV)

### **SERVING WITH HEART (afternoon session)**

Do you expect great things **from** God? Do you attempt great things **for** God? Our love for God is expressed in our love for others. God wants to use us, but we must listen, pray, and obey. God has endowed women with CREATIVITY to show His love in our homes, our communities, and around the world. Never underestimate a roomful of women sharing and exploring resources and experiences to promote the cause of Christ through the women's ministries and beyond. This session promises a heart-full of ideas for serving. *And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart.* <sup>10</sup> *Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith.* Galatians 6:9-10 (NKJV)
