

AutumnQuest

Preparing for a Fulfilling and Enjoyable Retirement Workshop for ABC Ministerial Leaders and Spouses

**South Parkersburg Baptist Church
1655 Blizzard Drive, Parkersburg, WV 26101
October 29-30, 2018**

Retirement is a significant transition, filled with hopes, uncertainties and some anxieties as well. For those in ministry there are added dimensions, since ministry is more than a job, it is a way of life, an identity, and a calling. *AutumnQuest* is a workshop designed by **Midwest Ministry Development** and sponsored by **MMBB** to help you anticipate, plan and shape your retirement. *AutumnQuest* is being hosted in Parkersburg, WV by the West Virginia Baptist Convention.

The workshop location is the **South Parkersburg Baptist Church, 1655 Blizzard Drive, Parkersburg, WV 26101**. Ample parking is available, and several hotels and restaurants are located nearby to the church. Lunch will be provided each day.

AutumnQuest will help you (and your spouse, if you are married):

- identify your degree of readiness for retirement
- form your unique vision of retirement
- explore new ways to balance work, leisure and learning
- consider geographical options and life-style preferences
- evaluate your financial resources and needs
- anticipate the dynamic nature and stages of retirement living

At *AutumnQuest*, you will process these areas with counselors from Midwest Ministry Development, a representative from MMBB, and your peers in the group. *AutumnQuest* is a time to open yourself to new ideas and possibilities!

AutumnQuest will begin at 10 a.m. on October 29th and conclude at 4 p.m. on October 30th. The total registration fee is **\$100** (there is no extra fee for a non-ordained spouse; however, if both spouses are ordained ABC ministers, each will need to pay the registration fee). When your registration form is received by Midwest Ministry, you will be sent information regarding the workshop location and a questionnaire which will help you begin to think about and prepare for the workshop. Spouses are strongly encouraged to fully participate and share in this event. Each workshop is limited in size, so please send in your registration form(s) to the address noted on the form by **October 22, 2018**.
