

West Virginia Baptist Convention

Together, we built a camp that averages over 2,000 campers every summer and last year saw 95 decisions for Christ.

Together we built a conference center that has been used to equip leaders for more than 50 years.

Together, we established a college ministry that reaches out to 60,000 students on nine campuses.

Together, we created the School of Christian Studies here we have equipped more than 700 people for ministry.

Together, we help support a Christian Center which has been ministering to the Weirton community for more than a century.

Together, we disciple men and women, youth and children all around the state.

Together, we have done disaster relief, rebuilding home and communities across the state.

Together, we have planted 18 new churches and helped revive several more.

Together, we invest in pastors, providing support, opportunities for continuing education, and working with pulpit committees.

Together, we partner in missions, commissioning 41 full-time missionaries since 1865 and sending thousands of short-term missionaries all around the globe.

Thank you for partnering with us to support the Mission and Ministries of West Virginia Baptist family.
