

Children's Fall Rally

Saturday, November 7
at Home or at your Church

Jesus challenged the status quo. From the moment He arrived on the scene. He made statement after statement that made people stop in their tracks. In fact, His statements made all the people around Him stop and say the modern-day equivalent to, "Say Whaaaaat?"

Your children will learn about some of the most challenging statements and teachings of Jesus. From learning to store up treasures in Heaven to learning to live without worry, your kids will be challenged to get rid of the "old" way of thinking and embrace the "Jesus" way of thinking!
