There are many ways you can help support the Weirton Christian Center and all are equally important. Whether you donate supplies, volunteer your time, or give monetarily, we absolutely appreciate everything you do. Donors and volunteers keep our doors open and allow us to continue serving our community. Please offer your support today and help us make a difference in the lives of our children and their families.

## ***WHAT PROGRAMS WILL MY DONATION SUPPORT?***

### **GENERAL FUND**

*Funds donated to the general fund will be used for payroll and general expenses. This is an often overlooked part of our organization and is currently one of our chief needs.*

### **QUARTERS FOR GRADES**

*Children earn quarters for attendance, doing homework, and for every report card they bring in to the Center.*

### **TRANSPORTATION FUND**

*As we are able to transport sixty-eight children at one time with our five donated vans, we have experienced a tremendous increase in the cost of gasoline and maintenance.*

### **FEEDING PROGRAM**

*Healthy snacks, dinner four days per week, and Blessing Bags for long weekends and holidays.*
