*Whether by design or out of necessity, a majority of our churches have some type of online presence. It might be your worship service, Bible study or another ministry. What if you could leverage that digital online presence to reach and engage the unchurched, thereby growing your physical church? Well, actually you can. The process is called "Phygital."*

#### **Tuesday, February 2, 2021**

##### **Session I Workshops - 6:30 p.m.**

###### **\* Treasurers and Financial Secretaries**

Led by: Mark Miller, Emmanuel Baptist Church, Charleston and Jennifer Huber, Administrative Assistant to Student Ministries, Mission Support and the Stewardship Commission, West Virginia Baptist Convention

*What are the responsibilities of church treasurer and financial secretary? What are some of the new laws we should be familiar with for 2021? How do I fill out the West Virginia Baptist Convention remittance forms? Those are just a few of the questions that will be answered in this workshop.*

###### **\* Trustees**

Led by: Mark McCloy, Northwest Area Minister, West Virginia Baptist Convention

*An interview-style presentation on the three primary areas of responsibility for the trustee - legal, financial and property management. Includes the perspective of a senior pastor, financial advisor and two trustees - one from a large church and one from a smaller church.*

##### **Session II Workshop - 7:30 p.m.**

###### **\* Phygital: Church Planting and Microchurches - Session Two**

Led by: Rich Blain, pastor, South Parkersburg Baptist Church; Phil Wayman, pastor, Clarksburg Baptist Church; and David Hulme, Northeast Area Minister, West Virginia Baptist Convention

*A "microchurch" is a church where every member lives as a missionary. "Microchurch" refers to a church that intentionally plants a missional community among every subculture in a community. Ordinary men and women are equipped to plant their own simple church in their workplace, neighborhood or wherever God has already placed them.*

#### **Thursday, February 4, 2021**

##### **Session I Workshops - 6:30 p.m.**

###### **\* The Benefits and How To's of Online Giving**

Led by: Greg O'Neal, Oakwood Baptist Church, Charleston

Whether you are interested in exploring online giving options or simply looking to improve your current process, this workshop will provide you with numerous helpful resources.*

###### **\* Biblical Intentional Grandparenting**

Led by: Jerry Losh, Senior Adult Ministry, Hurricane First Baptist Church and Koreen Villers, director of Discipleship Ministries, West Virginia Baptist Convention

*Grandparents have an opportunity to make a difference in the lives of their grandchildren and leave a lasting heritage for their families that will bless generations to come. This workshop will provide ideas and resources to help you reach and disciple the youngest generation through grandparents.*

##### **Session II Workshop - 7:30 p.m.**

###### **\* Global Missions in 2021 and Beyond**

Led by: Todd McClure, minister of Missions and Finance, West Virginia Baptist Convention

*COVID-19 accelerated many of the trends that were already being seen in global missions. As many churches saw their global mission involvement come to a halt last year, this workshop will cover ways that you can mobilize your congregation to join in some of the new and exciting ways that God is reaching the nations.*
