Statement of Commitment

As a youth applying for participation in Youth Leader Core, I understand the requirements of my involvement during the calendar year of 2021-2022. I pledge myself to attendance at all training events, to conscientious participation in those events, and to full completion of all back-home assignments.

As a parent, I understand the requirements of participation in Youth Leader Core. I support my child in their involvement and will encourage full and conscientious participation in the events and assignments.

As the pastor of the sponsoring church, I acknowledge the church's endorsement of this youth for participation in Youth Leader Core. We will support them in their involvement and will provide, within the church, the means for them to fulfill back-home assignments.

Together we affirm that the manner of fulfilling the financial obligations of participation in the Youth Leader Core has been decided upon with the agreement of all.

As we sign this, we agree to make YLC a priority.

Expectations

When we anticipate involvement in new experiences, we have expectations. These may be about what the program will be like, what the people we meet will be like, what will happen to us while we participate, what we will be able to do because we participate, and many other things. Some of these expectations are very specific, others may be very general. **Please use this sheet of paper to share with us the expectations, questions, hopes, wonderings, you have about participating in the Youth Leader Core.**

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
