Biblical Intentional Grandparenting Seminar

Are you ready to “Grandparent on Purpose?”

For some of you, this seminar will affirm the good things you are already doing with your grandkids. For others, it will shake your world and give you a brand new perspective on what it means to be a grandparent. Whether you are on one end of that spectrum or the other - or in the middle somewhere – you are going to be deeply impacted by these few hours.

You will go away filled up with inspiration, ideas and tools to help you realize your potential to grandparent successfully. You will unlearn some things, and relearn others. Your passion for your grandkids will be kindled even higher and you'll go away changed. More importantly, those precious grandchildren of yours will benefit, and they will never be the same because you have listened, learned and grown yourself.

Pastors or adult ministries leaders are also encouraged to attend as grandparenting is a big part of your church family.
